

# NASA Opportunity for MSIs

*Exciting STEM Professional Development at a NASA Center in Summer 2018*

Funding from NASA Minority University Research and Education Project (MUREP) provides the opportunity for Minority Serving Institutions (MSIs) to participate in a 5-day MUREP Educator Institute at a NASA Center. Institutes are comprised of student-centered classroom activities that utilize NASA assets and resources and will help educators develop instructional practices that will enhance STEM instruction for all students.

- Eligible participants are U.S. citizens enrolled in pre-service or alternate route teacher preparation programs at Minority Serving Institutions (MSIs).
- MSIs are encouraged to send a team of up to 5 pre-service teachers (elementary and/or secondary candidates in STEM fields) and a faculty sponsor.
- Participants engage in Pre-Institute online instruction, a 5-day on-site Institute experience at a NASA Center, and on-line Post-Institute instruction.
- Participants are provided with lodging, breakfasts and lunches, and a \$500 stipend.

## 2018 MEI Event Dates

### Ames Research Center

Moffett Field, CA  
• June 4-8, 2018

### Armstrong Flight Research Center

Palmdale, CA  
• June 18-22, 2018

### Glenn Research Center

Cleveland, OH  
• June 4-8, 2018

### Goddard Space Flight Center

Greenbelt, MD  
• June 11-15, 2018

### Jet Propulsion Laboratory

Pasadena, CA  
• June 25-29, 2018  
• July 23-27, 2018

### Johnson Space Center

Houston, TX  
• June 4-8, 2018  
• June 11-15, 2018

### Kennedy Space Center

Kennedy Space Center, FL  
• June 18-22, 2018  
• June 25-29, 2018

### Langley Research Center

Hampton, VA  
• June 4-8, 2018

### Marshall Space Flight Center

Huntsville, AL  
• June 4-8, 2018

### Stennis Space Center

Stennis Space Center, MS  
• June 11-15, 2018
